Designed by Investors: To-cobuild next generation scalable ventures

Sorabh Agarwal

Co-founder, AngelBay

100+ investments

MNNIT Class of '98

"I believe given the current dynamic nature of the economy, there is a need of venture schools like VenturEdu to give a structured education to entrepreneurs so that the chances of success of ventures go up from current less than 10%. Increased success rates will excite new entrepreneurs to take up venture building, which will help with driving innovation and economic growth."

Flagship program

PGP in Entrepreneurship

Program outcome: Idea to investment ready venture in ~14 months

At VenturEdu, every participant will **co-found a venture**:

- With fellow cohort members and an **industry veteran***
- **That will be pre-seed/seed funded**** during the course duration

Program is of **high intensity and rigor**. Do not expect:

- **Standard academic lectures** as each participant follows a personalised training path
- **Semester or trimester setup, assessments are fortnightly** and they impact the fund-raise

14 Months on Campus

50 Aspiring Founders

15 Founding Teams

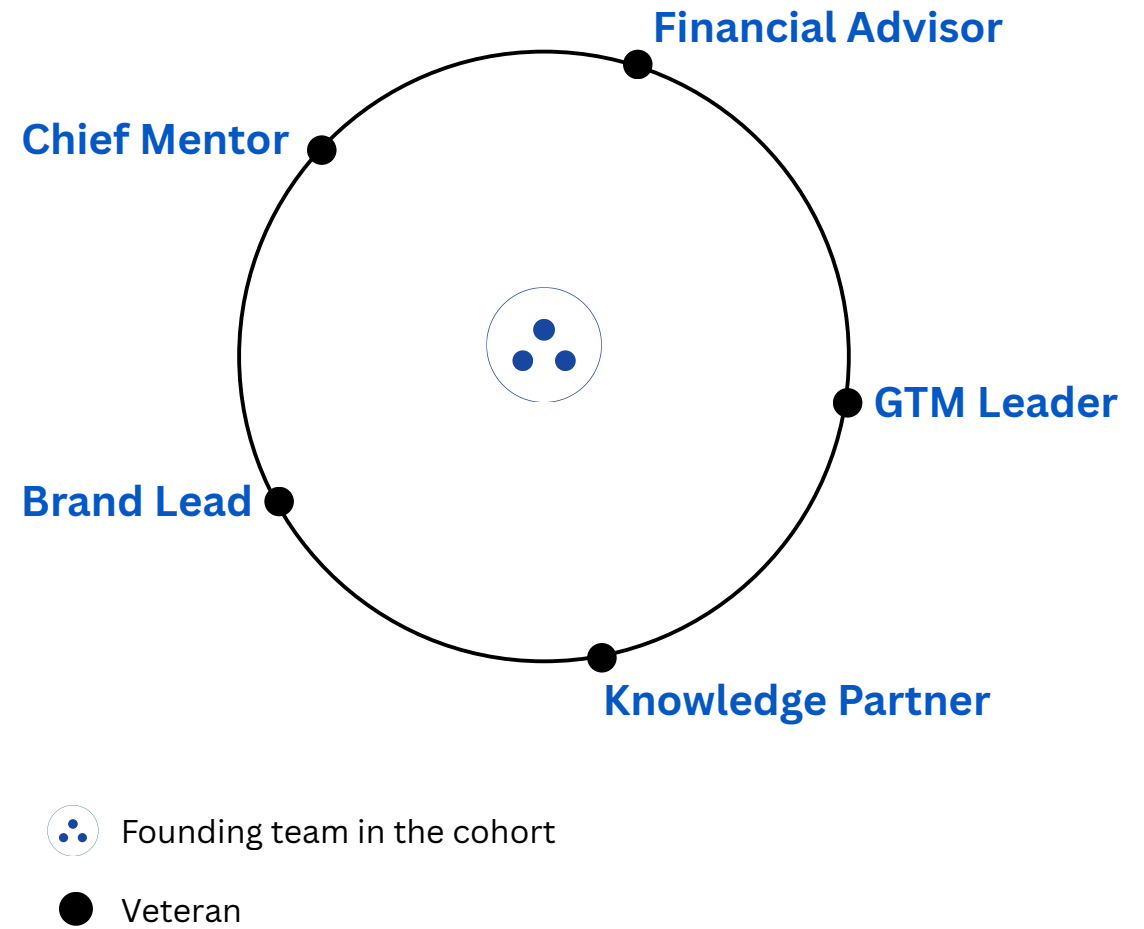

100 Investment Partners

*A founder with a track record of building and scaling a company to at least Series A, or currently running one, will work with participants in a 1:1 capacity. Pre-seed/seed funding is assured to the 15 founding teams we select, participants are free to pursue other ideas and they will be assisted to raise from 200+ investors

** In house accelerator fund or by an investment partner or both

V-Unit model: 5 : 1 mentor to venture ratio

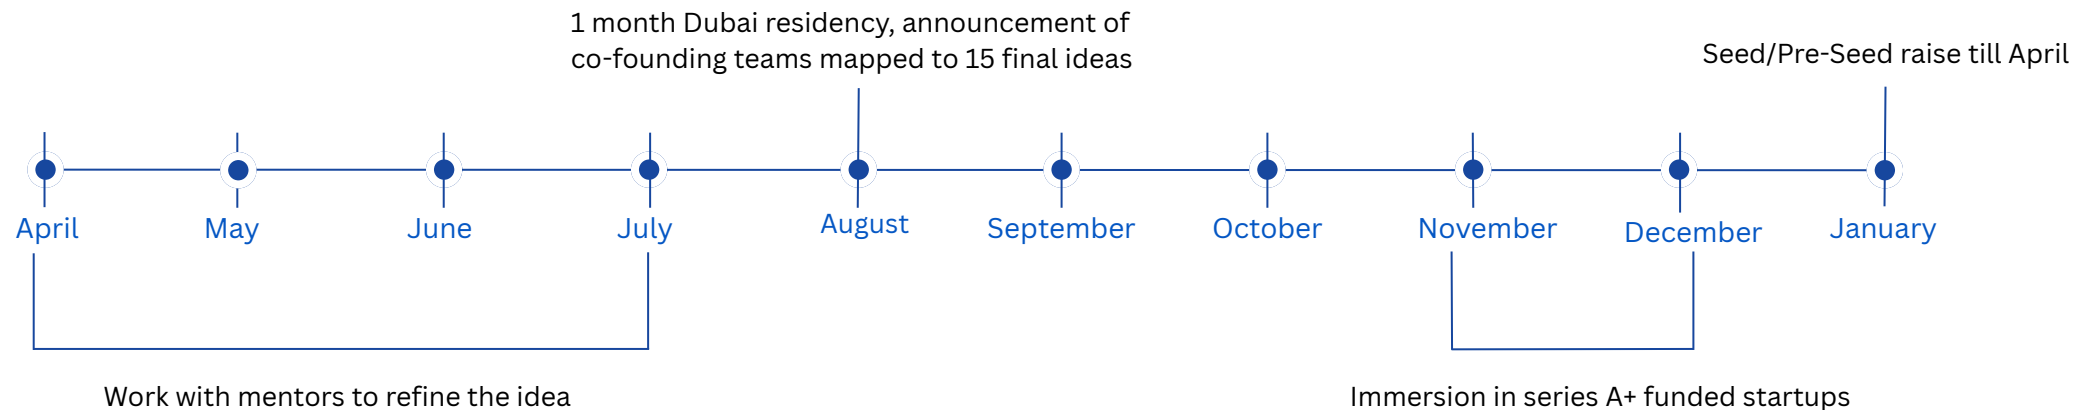

- **2 pitch days** every month
- **1 month residency in Dubai** to target MENA and European Investors
- **2 month salaried** apprenticeship with the C-Suite of a Series A+ startup

Course flow: Blending rigor of an accelerator and a B-school

Participants will:

1. Learn business fundamentals from **world renowned academics**
2. Work with mentor pool for **7-8 hours per week**
3. Be allowed to take a **pre-exam to exempt** from modules
A CA can skip a finance 101 by taking a pre-exam
4. Have visibility over calendars of mentors and **can reach out 1:1**
5. Attend graded **bootcamps by industry experts**
6. Create marketing campaigns from our **in-house growth lab***

*In house growth lab is a in campus marketing agency and a production house, designed for startups to learn and launch high growth campaigns
